Management of Renewable Energy Sources (RES)”**

**Common borders. Common solutions.**

The ARGOS Project is financed under the Joint Operational Programme BLACK SEA BASIN 2007-2013, Contract 1.3.1.66334.127, MIS-ETC 277 no. 44553/8.06.2011. The main objective of the ARGOS project: “BSUN Joint MASTER Degree Study Program on the Management of Renewable Energy Sources (RES)” is to achieve a stronger regional partnership and cooperation between the universities from the Black Sea Basin by the implementation of a joint Master Degree Program on the Management of RES and the sustainable development of the region.
