

BSUN Workshop:

***Frontier Research Perspectives on
Nanotechnologies***

October 30th, 2013

Program

12:00 – 12:30 – Opening session

Acad. Abel Maharramov, Rector of Baku State University
Distinguished Nobel Prize laureates:

Rudolph A. Marcus, Nobel Prize Laureate for Chemistry 1992

David J. Gross, Nobel Prize Laureate for Physics 2004

Robert Betts Laughlin, Nobel Laureate Prize for Physics 1998

12:30 – 12:50 – Prof. Dr. Mahammadali Ramazanov – *Research Activities on Nanotechnologies at Baku State University*

12:50 – 13:10 – Prof. Dr. Eldar Shahbazov – *Applications of Nanotechnologies in Oil Industry (Collaboration work of Baku State University and the State Oil Company of the Azerbaijan Republic)*

13:10 – 13:20 - Prof. Dr. Eden Mamut – *Scientific Research Challenges in the Field of Nanofluids – Properties, Models and Perspectives for Further Investigations*

13:30 – 13:45 – Questions and Answers, Closure

13:40 – 14:30 – Lunch
